BREAKFAST / LUNCH

# IL BUCO

WINE FOOD LOVE

Our menu changes with season and availability. Everything is made from the best ingredients produced without chemical input – either in Denmark or from Italian producers who share our values. All products that we use adhere to own strict source criteria. Feel free to ask if you want to know more.

We believe in simplicity, sustainability & quality - and we work hard to provide you with our take on seasonal, Italian-inspired dishes made from the best local & Italian produce. Everything on our menu is made with love – from the ground up.
